

AZNHA is a 501(c)6 membership organization whose members adhere to a high standard of service and business ethics as set forth by the association. The association was formed due to their being no licensing required in the state of Arizona for non-medical home care agencies. It is our desire to provide the consumer with the best possible in-home care available by choosing our members to serve them.

The following is a list of AZNHA members with the dates of their membership acceptance. Please check our website at www.aznha.org for the areas served by each member. The cities listed below represent their business location only. The list is also separated by in-home care agencies and by providers of goods and services.
