The Arizona In-Home Care Association (AZNHA) announces our **14th Annual In-Home Care Industry Conference** to be held **Friday, September 18, 2026**, at the **Embassy Suites by Hilton Scottsdale**.

Each year we invite speakers that can offer important, timely and relevant information on topics relating to our industry. At the end of the day, attendees leave with valuable information that they can put into effect within their agencies immediately. With the ever-changing laws that affect this industry specifically, this year's conference will be no different. We invite all industry professionals to join us and learn how creating lasting partnerships with in-home care agencies benefit not only the client/patient, but also the partner businesses involved.
