Understanding Coronavirus

Standard Precautions

A FREE bonus handout for your team!

Download our Coronavirus Handout for a few easy-to-follow tips caregivers can use to keep everyone safe.

ITK CAREGIVERS KNOW THE FACTS ABOUT CORONAVIRUS

KEEP YOURSELF SAFE

- Wash hands frequently with soap and water for 20 seconds.
- Do not touch your eyes, nose, or mouth with unclean hands.
- Do your best to avoid people who are sick.
- Avoid crowded places.

KEEP CLIENTS SAFE

- Wash hands frequently with soap and water for 20 seconds.
- Do not have your client cough or sneeze directly into your face.
- Clean frequently touched surfaces often.

KNOW THE SYMPTOMS

- Fever
- Cough
- Trouble Breathing
- Headache

Contact a doctor right away if you or your client have these symptoms. Report your symptoms, any recent travels, and any possible exposure before you go to your appointment.

WHAT ABOUT FACE MASKS?

The CDC and the World Health Organization advise people to wear a mask only if they are:

- Displaying symptoms of coronavirus, or
- Taking care of a person with suspected coronavirus infection.

The general public is not advised to use face masks for protection against coronavirus.

NEED AN INFECTION CONTROL REFRESHER?
