

WE'RE ALL IN THIS together.

May 8, 2020

Dear Friend,

The last couple months have been challenging. **All of us have been touched by this pandemic in one way or another.** Some of us have lost loved ones, or have been sick ourselves, many have lost their income and are worried about putting food on the table. The crisis is wide and deep, but **Americans and Arizonans have come together to help each other out. Together, we will all get through this.**

Just this week, [I toured a Honeywell plant with President Trump and Governor Ducey](#) that made a transition to making much needed N-95 masks for our medical professionals on the frontlines. Last week, [I visited AmSafe in Phoenix](#), where they typically make seat belts for the airline industry. Now, AmSafe makes masks and gowns for our health care heroes.

Stories like these and the critical work that Honeywell and AmSafe are doing to help during this pandemic is **American, and Arizonan, ingenuity at its finest.**

Earlier this week, the governor announced that we will begin re-energizing our economy over the coming weeks.

STAY HOME. STAY HEALTHY. STAY CONNECTED. RETURN STRONGER.
